

**Tuesday 8th Lydbury North 7.30pm**

**ANNUAL PARISH COUNCIL MEETING** this is the occasion when members of the Council elect a chair and vice-chair for the year ahead, review the accounts from the previous year and consider general issues related to parish business. Members of the public are invited to attend all Council meetings, which take place in the Village Hall.

**Friday 10th The Annual Meeting of the Parish** is the meeting where the Parish Council reports to its electorate on what it has accomplished in the preceding year.

The Council also invites representatives from local community organisations to submit or present reports. Importantly, it provides the opportunity for members of the community to raise issues of concern and suggest projects for the year ahead.

The annual Parish Meeting is an informal event and it would be good to see you there.

Cake, biscuits and drinks provided.

7.00pm Lydbury North Village Hall.

Please check out the Parish website for the Parish Council and Community news. Including the monthly Fraud and Scam bulletin from West Mercia Police, links to the Shropshire Green Bin consultation and details of the national open gardens scheme for our area.
