For **Remembrance Day** this year we will be making a community wall of poppies to display in the church. We would love everyone to join in and help us build the display by making, knitting, sticking, drawing - anything you would like to use to make your poppies. Poppies will then be attached to a large net and draped down the wall as you enter the church. Please spread the word and start your projects now, the more poppies we receive the better it will look. A box will be placed in the church for you to place your completed poppies in.
