For **Remembrance Day** this year we will be making a community wall of poppies to display in the church. We would love everyone to join in and help us build the display by making, knitting, sticking, drawing - anything you would like to use to make your poppies. Poppies will then be attached to a large net and draped down the wall as you enter the church. Please spread the word and start your projects now, the more poppies we receive the better it will look. A box will be placed in the church for you to place your completed poppies in.

Thank you to all those who have given to the funding of this Newsletter, not only does it mean that we can carry on but it also shows that the Newsletter is still seen as useful, which is a great encouragement to those who do the work.

Some people have not yet been thanked personally, that is because we only get Bank Statements quarterly; particular thanks for the support from the Parish Council and Village Hall Committee.

MNDA Quiz - Shona and her family and friends would like to thank everybody who so generously supported the recent Quiz night at the Village Hall in aid of Motor Neurone Disease Association (MNDA). A staggering £1,132.50 was raised for the association. The Just Giving page will stay open because more events are planned throughout the year (pop MNDA Lydbury North Events into the JG search bar). Shona's daughter Laura is currently completing the MNDA challenge to run 60 miles in August, you can sponsor her on Facebook. Watch this space for news.

Telephone Box They say good things come to those who wait! The transformation of the decommissioned Telephone Box was completed this summer thanks to a very hardworking band of volunteers. You will find the shelves inside full of books, magazines and DVDs for all ages all waiting to be read, watched and enjoyed. Operating as a book swap you are very welcome to take whatever you fancy to read and if you have good books you have outgrown or don't need any more feel free to replenish the shelves.
